

The Fetterville Difference

Other Contractors

<p>40-year painted metal warranty & <i>Energy Star Qualified</i>.</p>	<p>25-year painted metal warranty.</p>
<p>Our <i>Keystone Komfort</i> Fiberglass Doors have a maintenance-free composite jamb with a 25-year warranty.</p>	<p>Entry door with wood jamb & no warranty.</p>
<p>Solid Steel at Gable ends for a much better overall appearance.</p>	<p>Z-trim to connect the gable steel pieces.</p>
<p>Optional ¼" Microfoil insulation for <u>ceilings downward R-Factor of R-14.4 & walls horizontal R-Factor of R-10.2</u></p>	<p>Optional ½" R-Max insulation R-Factor of 3.2 for ceiling & walls.</p>
<p>Optional <i>Smart Post</i> <u>eliminates decay and rot & provides termite tested protection</u> with a heavy-duty polyethylene boot coated on the inside with Bitumen. The heat-shrinking process liquefies the Bitumen into the wood. This feature <u>provides superior resistance to wind uplift</u> (patent pending).</p>	<p>Optional one layer HDPE plastic sleeve fitted over post that can help protect against rot and insect attack. This product <u>does not eliminate decay & rot, and is not termite tested</u>. In many cases, this plastic sleeve is the only layer of protection for an untreated post.</p>
<p>Our crews are <u>guaranteed to be fully insured</u> Post-Frame construction specialists, <i>eliminating liability</i> and providing <i>superior workmanship</i>.</p>	<p><u>No guarantee</u>. Beware of sub-contractors that may not be covered; In some cases, you may be liable for worker injury if the crew is not fully insured.</p>
<p>Double-hung insulated windows.</p>	<p>Single-hung insulated windows.</p>
<p>Legendary Fetterville Service before and after the sale.</p>	<p>Not available</p>
<p>2x4 side girts 2' on center</p>	<p>Girts range from 24" to 30" o/c</p>
<p>2x4 roof purlins 2' on center</p>	<p>Purlins up to 32" o/c</p>
<p>Pressure treated post and skirt board. All wood treated at ground line.</p>	<p>Some contractors use untreated wood at the ground line, increasing the risk of rot and insect damage.</p>
	<p>Things to ask: Ask all potential contractors about these items, and circle any negative items they have in this column</p>
