THE FPB PATRIOT PANEL

– Exclusively through Fetterville Pole Buildings –

The **Patriot Panel** is our Premium Exterior Metal System, backed by the **Most Complete Lifetime Warranty** in the Post-Frame industry.

From the Roof to the Fasteners, Every Component is Built for Long-Term Performance and Total Peace Of Mind!

ROOFING & SIDING PANEL SPECS:

- 28-Gauge Steel
- Film Integrity: Lifetime Warranty
- Fade & Chalk Resistance: 35 Years
- Red Rust Protection: 15 Years
- Performance Life: 50 Years

SCREWS INCLUDED. LIFETIME GUARANTEED.

Most warranties stop at the panel — ours goes a step further. Every Patriot Panel package includes screws that are back backed by a Lifetime Warranty, from the first panel to the last fastener, your entire system is protected from top to bottom.

BUILT TO LAST. BACKED FOR LIFE.

With **40+ Years Experience** in the Post-Frame Industry, Fetterville Pole Buildings continues to stand apart from our competition by delivering top-notch quality and service at a fair price — a commitment our customers have trusted for over four decades.

When you choose the Patriot Panel, you're getting more than just steel — you're getting the experience of a company that's been building trust for generations and a complete system backed by a Lifetime Warranty.

As long as you own your Fetterville Pole Building, you'll never have to worry about your exterior — roof, siding, trim, or screws. It's all protected. For life.
